

— MOVE. THINK. CONNECT. —

PLAY TOGETHER, GROW TOGETHER.

ELIMINATE U® is a patent-pending, screen-free floor game that brings people together through movement, music, strategy, and social interaction.

EXECUTIVE SUMMARY

Vueon Creator Space Inc. is an innovative product development and creative media company dedicated to designing engaging consumer products that inspire **active play**, **meaningful social interaction**, and **lasting memories**.

Our flagship product, **ELIMINATE U®**, reinvents the classic game of Musical Chairs into a safer, portable, and interactive experience for players of all ages.

Created by Vueon Creator Space Inc. after identifying a simple problem, ELIMINATE U® promotes **movement**, **teamwork**, **strategy**, and **social interaction** for families, schools, churches, youth organizations, parks and recreation departments, camps, corporate team-building events, and community programs.

We have completed product development, built working prototypes, filed a provisional patent application, and identified an experienced OEM manufacturing partner to support commercial production. Product demonstrations at community events and youth programs have generated **enthusiastic feedback**, validating **strong consumer interest** and market potential.
